

REFCOMM[®]

BUENOS AIRES 2018

Interpretación en vivo en español e inglés

Live interpretation in Spanish and English

More Production with Less Risk:

Delayed Coking and Sulfur (Amine, Sour Water, Claus, Tailgas)

RefComm is the premier technical forum for project and process engineers, operators, maintenance, and other leaders to share knowledge and ideas relating to Delayed Coking and Sulfur Recovery. All presentations will have live simultaneous translation into English and Spanish.

Delayed Coking Unit (DCU)

We will be discussing coker safety and reliability, drum de-heading safety, operations best practices, targeting more liquid yield, DCU material balance, steam purge valves, lockout/tagout, feed, decoking, and more.

SRU (Sulfur Recovery Unit)

Government legislation around the world has imposed more stringent guidelines on sulfur recovery and emissions. Keep up on the tighter regulations and new technologies.

With the volatile crude oil environment, you need to leverage technology to achieve success.

Examine case studies, network informally to build relationships, share lessons learned, evaluate strategies and explore innovations. Increasing your knowledge will spark your productivity and enhance your competitive advantage. <http://refiningcommunity.com/refcomm-buenos-aires-2018/>

Hotel NH Buenos Aires City
5-9 November 2018

Training

Monday-Tuesday
0900-1730
Thursday - Friday
0900-1730

Conference

Wednesday-Thursday
0900-1730

Exhibition

Tuesday
1730-1830
Wednesday
0900-1830
Thursday
0900-1600

We are now seeking presenters, discussion leaders, and workgroup subject-matter-experts. Presentations can be given in Spanish or English.

Email your abstracts and ideas to Becky Peterson:

Training

Delayed Coker Operations and Reliability

Mon-Tue, 5-6 November with Gary Pitman

For new and experienced workers who want to broaden their understanding of the delayed coker unit. *(Taught in English with Spanish interpretation)*

Coker Process, Design, and Troubleshooting

Mon-Tue, 5-6 November with Evan Hyde

This two-day course delves deeper into the delayed coker from a process, design, and troubleshooting perspective. *(Taught in English with Spanish interpretation)*

Structural Integrity of Coke Drums

Mon-Tue, 5-6 November with Julian J. Bedoya, P.E.

Participants will hone skills needed to understand coke drum mechanical and structural failure modes, manage their integrity in an efficient manner, and improve reliability, performance, and safety. *(Taught in Spanish)*

SRU Operations and Troubleshooting, TGU Review

Mon-Tue, 5-6 November with Noel Vicente

This course covers operations, troubleshooting preventive maintenance. You will explore start-ups and shutdowns as well as sulfur plant commissioning and initial start-up. You will receive an overview of burner management. Then you will move on to sulfur plant incinerator, sulfur pit and a review of tailgas units. Safety is included! *(Taught in English with Spanish interpretation)*

SRU Process and Operations Engineering

Fri, 9 November with Noel Vicente

This course emphasizes technical fundamentals and testing methods for the Sulfur Recovery Unit. SRU equipment design and optimization will be discussed. Capacity Evaluation is included to give the Engineers an overview on how to evaluate process/equipment, if they are planning to increase or decrease capacity. *(Taught in English)*

Understanding Fixed Equipment Integrity

Thu-Fri, 8-9 November with Julian J. Bedoya, P.E.

This two-day training course will cover various topics which will enhance the plant engineer and inspector's understanding and knowledge in multiple technical areas. *(Taught in Spanish)*

Training courses conducted by expert instructors using a variety of learning techniques: lecture, discussion, visuals, hands on practice, and sometimes actual equipment.

Your course pass includes lunch and coffee breaks. Attendees also receive a class manual that can serve as a valuable office reference.

Get a conference pass to join in the discussion in the Conference Halls and Exhibition.

Training Pass	Early Before 24/9	Regular After 24/9
Includes catered lunch and breaks.		
Delayed Coker Operations and Reliability (5-6 Nov.)	\$1,495	\$1,595
Coker Process, Design, and Troubleshooting (5-6 Nov.)	\$1,495	\$1,595
Structural Integrity of Coke Drums (5-6 Nov.)	\$1,495	\$1,595
SRU Operations and Troubleshooting, TGU Review (5-6 Nov.)	\$1,495	\$1,595
SRU Process and Operations Engineering (9 Nov.)	\$795	\$895
Understanding Fixed Equipment Integrity (8-9 Nov.)	\$795	\$895

Conference Pass Options

Conference pass includes catered lunch, breaks, and cocktail receptions.

	Early Before 24/9	Regular After 24/9
Refiner Pass (Tue-Thu, 6-8 November 2018)	\$1,090	\$1,290
Vendor Pass (Tue-Thu, 6-8 November 2018)	\$1,480	\$1,580

Registration Form

Early registration ends
24 Sept. 2018

Conference Schedule

	5 th -Monday	6 th -Tuesday	7 th -Wednesday	8 th -Thursday	9 th -Friday
0900-1730	Training	Training	Conference & Exhibition	Conference, Exhibition & Training	Training
1730-1830		Reception & Exhibition	Reception & Exhibition		

Please indicate your area of interest in a percentage equaling 100%. For example DCU 70% SRU 30%

Registrant Info and Payment

Prefix _____ First Name _____ Last Name _____

Job Title _____ Company _____

Mailing address _____ City _____

State/Province _____ Postal code _____ Country _____

Registrant's email _____ Registrant's phone _____

Signature _____ Date _____

Payment amount _____ Check Wire Transfer Mastercard American Express Visa

Name on credit card _____ Card expiration date _____

Credit card number _____ Security code _____

Payment is due prior to the start of the conference or training. Fees will be charged to your credit card at the time of registration unless other arrangements have been made. Make checks payable to "Refining Community".

Refund Policy

Fees are fully refundable until 15 October 2018 (three weeks before the event), after which a \$200 USD fee will be charged for cancellations. Registering for this training course prior to 15 October 2018 will help maximize the probability that the course will proceed as planned. Cancellations after 29 October 2018 (1 week before class until 24 hours before class) are charged a 50% fee. All other cancellations and no-shows are non-refundable. Substitutions are allowed. Submit all cancellations and transfers in writing, by email or by fax.

Prices are in US Dollars

Checklist

Register early to benefit from scheduled advertising and promotions.

Send a separate form for each person or register online at your convenience.

Make checks payable to "Coking.com Inc."
