

REFCOMM[®]

GALVESTON 2018

More Production and Less Risk

Coker, CatCracker, Sulfur (Amine, Sour Water, Claus, Tailgas)

RefComm[®] is the premier technical forum for project and process engineers, operators, maintenance, and other leaders to share knowledge and ideas relating to the Coker, CatCracker, Sulfur Recovery (covering Amine Treating, Sour Water Stripping, Claus Plant and Tailgas)

Delayed Coking Unit (DCU)

We will be discussing coker safety and reliability, drum de-heading safety, operations best practices, targeting more liquid yield, DCU material balance, steam purge valves, lockout/tagout, and more.

Fluid Catalytic Cracking (FCC)

Learn about maximizing FCC flexibility, balancing feedstock options, equipment revamps, increasing LCO without sacrificing profits, operations and troubleshooting, and reducing turnaround costs.

Sulfur (Amine, Sour Water, Claus, Tailgas)

Government legislation around the world has imposed more stringent guidelines on sulfur recovery and emissions. Keep up on the tighter regulations and new technologies.

Our global economy is flooded with light and heavy crudes. While the low feedstock price challenges upstream, it provides profit opportunities downstream. To prosper and excel, leverage your existing assets. After a decade of successfully hosting the world's largest Delayed Coking conference, RefComm[®], expanded into the Fluid Catalytic Cracking arena. The conference will continue with it's newest tracks Sulfur Recovery (covering Amine Treating, Sour Water Stripping, Claus Plant and Tailgas) for operating efficiently and meeting regulations.

Default of Occupancy

If by Tuesday, May 8 at 3:00pm an exhibitor fails to check-in and occupy any space contracted for but not canceled in writing to the Host, the Host shall have the right to use said space to suit its own convenience, including selling the space to another exhibitor, without any rebate or allowance to the defaulting exhibitor.

If the display material has been delivered to the exhibit space but has not been assembled, the Host reserves the right to remove the material and place it in storage.

The Host assumes no responsibility for having included the name of the defaulting exhibitor or descriptions of that exhibitor's products in the Conference Booklet, the Comprehensive Contact List, news releases, or other materials.

There will be a \$500 fine to any exhibits who must take down early. Take down can begin Thursday after 6:00pm and continue through Friday until 11:00am.

Admission

The Host will have sole control over admission of all persons. All persons visiting the exhibits will be admitted according to the policies and regulations of the conference as issued or amended by the authorized representative of the Host.

All booth staff must be registered for RefComm®, including spouses.

All persons in the exhibit area must be registered and wearing the RefComm® name badge or Guest Pass at all times. No one under the age of 18 years of age will be allowed in the exhibit area.

Liabilities

The exhibitor, by entering into this contract, hereby waives any claim against and shall indemnify, save and hold harmless the Host, the Moody Gardens Convention Center, its agents and employees for any damages or injuries to property or persons occasioned by or in connection with the conference unless caused by the willful misconduct of the Host, the Moody Gardens Convention Center, its agents or employees. The exhibitor shall provide a certificate of insurance to the Host and the hotel.

Jurisdiction

The exhibitor hereby consents to the jurisdiction of the courts of the State of Washington, USA with respect to any court of action arising under this contract.

Display Configuration

Displays must be less than 10 feet tall. Freestanding displays placed on the floor are permitted. All display material must be safely supported. No nails, screws or other damaging device may be used. The Exhibition Hall is indoor on a thick concrete pad, so trucks and most equipment can be accommodated. If unsure, please call first. For demonstrations with excessive noise or fumes, inquire about an exterior location.

The Host reserves the right to restrict the use of glaring or irregular lighting effects. Signs or lighting involving the use of neon or similar gases, or flashing electrical signs are not permitted. Loud motors are not permitted. No engines with exhaust are allowed. The Host reserves the right to restrict the use of demonstration equipment that produces a noise level objectionable to delegates or neighboring exhibitors. The use of minimal audio-visual equipment will be permitted, subject to written approval of the Host.

Displays and Conduct

Displays should be directly related to the products and services provided by the exhibitor in the regular course of business.

No Suitcasing

"Suitcasing" (promoting your products and services while not being a registered exhibitor) is forbidden and anyone who is found violating said rule is subject to being expelled from the event.

Objectionable Material and Activities

The Host reserves the right to require modification of any exhibit it deems questionable for any reason. Exhibitors may not post signs, banners or advertisements outside of their booth without written permission from the Host.

Raffles and fishbowl drawings are permitted at the exhibit. Give-aways are permitted when the item is of minimal value, available to all attendees, and not related to any type of raffle, drawing or contest. Sales and orders transacted in the exhibit area are permitted.

Exhibitors must confine their activities to the space for which they have contracted, and may not distribute samples or souvenirs except from their exhibit space.

The exhibitor shall be responsible for the safety of all individuals participating in or viewing their display.

Live animals and smoking are not permitted in the exhibit area.

Exhibitors will not be permitted to behave in a manner that is, in the sole discretion of the Host, objectionable. Any questions of propriety should be cleared in writing with the Host.

Insurance

Exhibitor agrees to maintain such insurance that will fully protect the Host and the Moody Gardens Convention Center from any claims of any nature, including claims under the Workman's Compensation Act, and for damages for personal injury, including death, which may arise in connection with the presence and/or operation of participant's display. In the event the exhibitor damages the building, or any part thereof, he agrees to reimburse the owner of the building for the cost of repairing such damages to said building, or any part thereof, directly or indirectly.

Force Majeure

The Host will not be liable for failure to hold the RefComm® event as scheduled. If canceled, payments for exhibit space will be returned, less the exhibitor's pro-rata share of all costs and expenses incurred and committed by the Host.
