**REFCOMM**<sup>®</sup>  
GALVESTON 2019

## More Production and Less Risk

Delayed Coking, CatCracking, Sulfur Recovery (Amine, Sour Water, Claus, Tailgas)

RefComm<sup>®</sup> is the premier technical forum for project and process engineers, operators, maintenance, and other leaders to share knowledge and ideas relating to the Coker, CatCracker, Sulfur Recovery (covering Amine Treating, Sour Water Stripping, Claus Plant and Tailgas)

### Delayed Coking

Compare notes on how others are preparing for MARPOL. Sharing coker safety and reliability, operations best practices, processing non-standard feedstocks, wireless/intelligent equipment, lessons learned from startups and turnarounds.

### CatCracking

Learn about maximizing FCC flexibility, catalysts and additives, balancing feedstock options, equipment re-vamps, controlling emissions, operations and troubleshooting, unconventional growth with IIoT, reducing turnaround costs.

### Sulfur Recovery (Amine, Sour Water, Claus, Tailgas)

Regulations on sulfur recovery and emissions, operation and safety, combustion and corrosion issues, troubleshooting techniques, new technologies, increasing/decreasing capacity, oxygen enrichment and catalyst regeneration, degassing, and best practices.

RefComm<sup>®</sup> is recognized as the premiere worldwide conference for Delayed Coking. RefComm also includes Fluid Catalytic Cracking and Sulfur Recovery (covering Amine Treating, Sour Water Stripping, Claus Plant and Tailgas). When coping with Tier 3 regulations and leveraging existing assets with automation and the Industrial Internet of Things (IIoT), staff knowledge is easily overlooked. With operational excellence in mind, RefComm caters to the operators in your units. The week starts with 2 days of training, followed by the technical conference and 100 exhibit booths with the latest technologies. Send your crews. Get them better equipped to run efficiently and safely with **More Production and Less Risk!**

Moody Gardens Convention Center  
**April 29 - May 3, 2019**

### Conference

Wednesday - Friday

Expand your knowledge of industry profitable practices, new technology and lessons learned for existing and new plants.

### Exhibition

Tuesday - Thursday

The Exhibition opens Tuesday evening with the Welcome Reception and continues Wednesday and Thursday during networking breaks and evening receptions.

### Training ..... page 2

Monday - Tuesday

Training courses by industry experts for DCU, FCCU and SRU. Separate registration required for Conference.

### Registration Form ..... page 3

# Training

## Delayed Coker Operations and Reliability

**Mon-Tue, April 29-30** with Gary Pitman

For new and experienced workers who want to broaden their understanding of the delayed coker unit.

## Coker Process, Design, and Troubleshooting

**Mon-Tue, April 29-30** with Evan Hyde

This advanced course covers the design, operations and troubleshooting of the delayed coker.

## Mechanical Integrity and Reliability of Coke Drums

**Mon-Tue, April 29-30** with Dr. Mahmood Samman

Hone skills needed to understand coke drum mechanical and structural failure modes, manage their integrity in an efficient manner and improve reliability, performance, and safety.

## FCCU Process Fundamentals and Recent Developments

**Mon-Tue, April 29-30** with Christopher F. Dean

No longer just a fuels producer, the FCCU is producing petrochemical feedstocks, pretreating tar sands and producing biofuels.

## SRU Operations and Troubleshooting, TGU Review

**Mon-Tue, April 29-30** with Noel Vicente

This course covers operations, troubleshooting preventive maintenance. You will explore start-ups and shutdowns as well as sulfur plant commissioning and initial start-up. You will receive an overview of burner management. Then you will move on to sulfur plant incinerator, sulfur pit and a review of tailgas units. Safety is included!

**Training courses** conducted by expert instructors using a variety of learning techniques: lecture, discussion, visuals, hands on practice, and sometimes actual equipment.

Your course pass includes lunch and coffee breaks. Attendees also receive a class manual that can serve as a valuable office reference.

Get a conference pass to join in the discussion in the Conference Halls and Exhibition.

### Conference Pass Options

#### Refiner Price:

CatCracking, Sulfur Pass (April 30 - May 2)

**Early**  
Before 3/18

**Regular**  
After 3/18

\$970

\$1,080

Coking Pass (April 30 - May 3)

\$1,095

\$1,195

#### Vendor Price:

Coking, CatCracking, Sulfur Pass (April 30 - May 2)

\$1,095

\$1,195

### Training Pass

Includes catered breakfasts, lunches and breaks.

Delayed Coker Operations and Reliability (April 29-30)

**Before 3/18**

**After 3/18**

\$1,495

\$1,595

Coker Process, Design, and Troubleshooting (April 29-30)

\$1,495

\$1,595

Mechanical Integrity and Reliability of Coke Drums (April 29-30)

\$1,495

\$1,595

FCCU Process Fundamentals & Recent Developments (April 29-30)

\$1,495

\$1,595

SRU Operations and Troubleshooting, TGU Review (April 29-30)

\$1,495

\$1,595

Prefix _____		First Name _____		Last Name _____		
Job Title _____		Company _____				
Mailing address _____		City _____				
State/Province _____		Postal code _____		Country _____		
Registrant's email _____		Registrant's phone _____				
Signature _____		Date _____				
Payment amount _____		Check	Wire Transfer	Mastercard	American Express	Visa
Name on credit card _____		Card expiration date _____

Please indicate your area of interest in a percentage equaling 100%. For example DCU 70% SRU 30%

DCU \_\_\_\_\_ FCC \_\_\_\_\_ SRU \_\_\_\_\_

Payment is due prior to the start of the conference or training. Fees will be charged to your credit card at the time of registration unless other arrangements have been made. Make checks payable to "Coking.com Inc".

### Refund Policy

Fees are fully refundable until April 8, 2019 (three weeks before the event), after which a \$200 USD fee will be charged for cancellations. Registering for this training course prior to April 8, 2019 will help maximize the probability that the course will proceed as planned. Cancellations after April 22, 2019 (1 week before class until 24 hours before class) are charged a 50% fee. All other cancellations and no-shows are non-refundable. Substitutions are allowed. Submit all cancellations and transfers in writing, by email or by fax.

The initial purpose of collecting your contact data is to inform you of details relevant to your participation at RefComm®. We will also use the data to notify you of other conferences, tradeshow, training and consulting services.

## Registration Form

Early registration ends  
March 18

### Send this page to:

fax +1 (360) 544-0126  
 email RefComm@RefiningCommunity.com  
 mail Coking.com Inc
