

# Join us at **REFCOMM**<sup>®</sup> MUMBAI

## Maximize Your Assets with Coking.com

Focused workshops: Fired Heaters, Yield, Capacity, Coke Drums, Decoking, Valves, Inspection

RefComm<sup>®</sup> is the premier technical forum for project and process engineers, operators, maintenance, and other leaders to share knowledge and ideas relating to the Delayed Coking Unit.

### Delayed Coking Unit (DCU)

We will be discussing coker safety and reliability, drum de-heading safety, operations best practices, targeting more liquid yield, DCU material balance, steam purge valves, lockout/tagout, and more.

## Training

### Delayed Coker Operations and Reliability

17-18 Oct with Gary Pitman

For new and experienced workers who want to broaden their understanding of the delayed coker unit.

### Coker Process, Design, and Troubleshooting

17-18 Oct with Evan Hyde

This advanced course covers the design, operations and troubleshooting of the delayed coker.

### Mechanical Integrity and Reliability of Coke Drums

17-18 Oct with Dr. Mahmod Samman

Hone skills needed to understand coke drum mechanical and structural failure modes, manage their integrity in an efficient manner and improve reliability, performance, and safety.

Hyatt Regency - Mumbai  
17-20 October 2016

While the low feedstock price challenges upstream, it provides profit opportunities downstream. To prosper and excel, leverage your existing assets. Attend RefComm<sup>®</sup> to learn how to maximize your assets, all of them: People, Equipment, Processes, Expenses.

**Training** ..... page 1  
Monday - Tuesday (17-18)

**Conference**  
Wednesday - Thursday (19-20)

Expand your knowledge of industry profitable practices, new technology and lessons learned for existing and new plants.

**Exhibition**  
Wednesday - Thursday (19-20)

The Exhibition opens Wednesday morning reception and continues through Thursday during networking breaks and evening reception.

**Presentations** ..... page 2

**Training courses** conducted by expert instructors using a variety of learning techniques: lecture, discussion, visuals, hands on practice, and sometimes actual equipment.

Informative and dynamic **presentations** by industry professionals in a multimedia format followed by Q&A with the audience.

# Conference Presentations

Presentation topics for RefComm® Mumbai 2016 will focus on Delayed Coking. If you'd like to present, or have an idea for a topic you'd like to present please email our Conference Coordinator Becky Peterson [becky@refiningcommunity.com](mailto:becky@refiningcommunity.com).

This is an excellent opportunity for Operators and Solution Providers to share Lessons Learned, Best Practices and new technologies to optimize productivity and safety. Don't miss this prestigious opportunity to present your technical content to a global audience.

**Presenting personnel from operating companies will receive a 50% discount on conference registration.**

## Delayed Coker

- KEYNOTE – Coking in India
- Coker Vessel Life Extension Repair Implementation
- Coker Furnace Run Length
- On-Line Spalling
- Remaining Life of Coke Drums
- The Latest Advancements in Delayed Coke Drum Inspection & Reliability Techniques
- Mechanical Coker Buckets: Inspection, Repair, & Rebuilding
- DCU Revamp for Capacity and Efficiency Increase
- Coke Drum MOV PLC Permissive Interlock System Availability
- Support Network Critical to Coker Crane Success
- Cost Conscious Coker Unheading Valve Hydraulic System Design
- Simulation as a Tool for Coker Troubleshooting and Predictions – the KBC approach
- Amec Foster Wheeler Heater Best Practices
- Coke Cutting System for Cokers in India
- Coke Drum Flow Distributions
- Lessons Learned throughout the use of Nuclear Transmitters on Coke Drums
- The Latest Advancements in Delayed Coke Drum Inspection & Reliability Techniques
- Improving Delayed Coker Heater Run Length
- Handling Power and Steam Outage in DCU – Recent Experiences.
- Effect of Processing Biomass Pyrolysis Oil on Product Yields
- Remaining Life Assessment of Coker Heater Tubes
- Trouble Shooting in Delayed Coker Unit Inspection Experience

### Join the Conversation

 @CokingCom

 [linkedin.com/groups/CokingCom-3760695](https://linkedin.com/groups/CokingCom-3760695)

We are now seeking presenters, discussion leaders, and workgroup subject-matter-experts.

Email your abstracts and ideas to Becky Peterson [becky@refiningcommunity.com](mailto:becky@refiningcommunity.com) or call +1 360.966.7251

**Breakout discussions** explore hot topics, guided by a facilitator so that everyone gets an opportunity to participate. Suppliers and refiners join together to share and learn.

In a **panel discussion**, speakers give a series of brief presentations on a key topic. Then the audience asks questions, discusses and collaborates.

Your course pass includes lunch and coffee/tea breaks. Attendees also receive a class manual that can serve as a valuable office reference.

Get a conference pass to join in the discussion in the Conference Halls and Exhibition.

## Training Pass

## Price

Delayed Coker Operations and Reliability (17-18 October)	\$1,200 USD
Coker Process, Design, and Troubleshooting (17-18 October)	\$1,200
Mechanical Integrity and Reliability of Coke Drums (17-18 October)	\$1,200

## Conference and Exhibition Options

## Price

Additional admittance to Wednesday evening Welcome Reception. Includes catered lunch, breaks, and cocktail reception.

Refiner Pass (19 October, 09:00 - 20 October, 18:00)	\$900 USD
Vendor Pass (19 October, 09:00 - 20 October, 18:00)	\$1,400

## Conference Schedule

	17-Monday	18-Tuesday	19-Wednesday	20-Thursday
09:00-18:00	Training	Training	Conference & Exhibition	Conference & Exhibition
18:00-20:00			Reception & Exhibition	
20:00			Exclusive Bonus Session	

## Registrant Info and Payment

Prefix	First Name	Last Name	
Job Title	Company		
Mailing address	City		
State/Province	Postal code	Country	
Registrant's email	Registrant's phone		
Signature	Date		
Payment amount	Check	Wire Transfer	Mastercard American Express
Name on credit card	Card expiration date		Visa
Credit card number	Security code		

Payment is due prior to the start of the conference or training. Fees will be charged to your credit card at the time of registration unless other arrangements have been made. Make checks payable to "Refining Community".

### Refund Policy

Fees are fully refundable until 26 September, 2016 (three weeks before the event), after which a \$200 USD fee will be charged for cancellations. Registering for this course prior to 26 September, 2016 will help maximize the probability that the course will proceed as planned.
