

REFCOMM[®]

VALENCIA 2018

More Production with Less Risk:

Coker, CatCracker, Sulfur (Amine, Sour Water, Claus, Tailgas)

RefComm[®] is the premier technical forum for project and process engineers, operators, maintenance, and other leaders to share knowledge and ideas relating to the Coker, CatCracker, Sulfur Recovery (covering Amine Treating, Sour Water Stripping, Claus Plant and Tailgas).

Delayed Coking Unit (DCU)

We will be discussing coker safety and reliability, drum de-heading safety, operations best practices, targeting more liquid yield, DCU material balance, steam purge valves, lockout/tagout, feed, decoking, and more.

Fluid Catalytic Cracking (FCC)

Learn about maximizing FCC flexibility, balancing feed-stock options, equipment revamps, increasing LCO without sacrificing profits, operations and troubleshooting, and reducing turnaround costs.

SRU (Sulfur Recovery Unit)

Government legislation around the world has imposed more stringent guidelines on sulfur recovery and emissions. Keep up on the tighter regulations and new technologies.

With the volatile crude oil environment, you need to leverage technology to achieve success.

Examine case studies, network informally to build relationships, share lessons learned, evaluate strategies and explore innovations. Increasing your knowledge will spark your productivity and enhance your competitive advantage. <http://refiningcommunity.com/refcomm-valencia-2018/>

1-4 October 2018

Training

Monday-Tuesday
0900-1700

Conference

Wednesday-Thursday
0900-1700

Exhibition

Tuesday
1700-1800

Wednesday
0900-1800

Thursday
0900-1600

We are now seeking presenters, discussion leaders, and workgroup subject-matter-experts. Presentations can be given in Spanish or English.

Email your abstracts and ideas to Becky Peterson:
becky@refiningcommunity.com
or call +1 360.966.7251

Training

Training courses conducted by expert instructors using a variety of learning techniques: lecture, discussion, visuals, hands on practice, and sometimes actual equipment.

Your course pass includes lunch and coffee breaks. Attendees also receive a class manual that can serve as a valuable office reference.

Get a conference pass to join in the discussion in the Conference Halls and Exhibition.

Delayed Coker Operations and Reliability

Mon-Tue, 1-2 Oct. with Gary Pitman

For new and experienced workers who want to broaden their understanding of the delayed coker unit.

Coker Process, Design, and Troubleshooting

Mon-Tue, 1-2 Oct. with Evan Hyde

This advanced course covers the design, operations and troubleshooting of the delayed coker.

Mechanical Integrity and Reliability of Coke Drums

Mon-Tue, 1-2 Oct. with Dr. Mahmud Samman

Hone skills needed to understand coke drum mechanical and structural failure modes, manage their integrity in an efficient manner and improve reliability, performance, and safety.

FCCU Process Fundamentals and Recent Developments

Mon-Tue, 1-2 Oct. with Christopher F. Dean

No longer just a fuels producer, the FCCU is producing petrochemical feedstocks, pretreating tar sands and producing biofuels.

SRU Operations and Troubleshooting, TGU Review

Mon-Tue, 1-2 Oct. with Noel Vicente

This course covers operations, troubleshooting preventive maintenance. You will explore start-ups and shutdowns as well as sulfur plant commissioning and initial start-up. You will receive an overview of burner management. Then you will move on to sulfur plant incinerator, sulfur pit and a review of tailgas units. Safety is included!

Training Pass

Includes catered lunch and breaks.

Early

Before 20/8

Regular

After 20/8

	Early Before 20/8	Regular After 20/8
Delayed Coker Operations and Reliability (1-2 October)	\$1,495	\$1,595
Coker Process, Design, and Troubleshooting (1-2 October)	\$1,495	\$1,595
Mechanical Integrity and Reliability of Coke Drums (1-2 October)	\$1,495	\$1,595
FCCU Process Fundamentals and Recent Developments (1-2 October)	\$1,495	\$1,595
SRU Operations and Troubleshooting, TGU Review (1-2 October)	\$1,495	\$1,595

Conference Pass Options

Conference pass includes catered lunch, breaks, and cocktail receptions.

	Early	Regular
Refiner Pass (Wed-Thu, 2-4 October)	\$1,090	\$1,290
Vendor Pass (Wed-Thu, 2-4 October)	\$1,480	\$1,580

Conference Schedule

	1 th -Monday	2 th -Tuesday	3 th -Wednesday	4 th -Thursday
0900-1700	Training	Training	Conference & Exhibition	Conference, Exhibition & Training
1700-1800		Reception & Exhibition	Reception & Exhibition	
1700-1600				Reception & Exhibition

Prefix _____		First Name _____		Last Name _____	
Job Title _____		Company _____		City _____	
Mailing address _____		State/Province _____		Postal code _____

Please indicate your area of interest in a percentage equaling 100%. For example DCU 70% SRU 30% DCU _____ FCC _____ SRU _____

Payment is due prior to the start of the conference or training. Fees will be charged to your credit card at the time of registration unless other arrangements have been made. Make checks payable to "Refining Community".

Refund Policy

Fees are fully refundable until 10 September 2018 (three weeks before the event), after which a \$200 USD fee will be charged for cancellations. Registering for this training course prior to 10 September 2018 will help maximize the probability that the course will proceed as planned. Cancellations after 24 September 2018 (1 week before class until 24 hours before class) are charged a 50% fee. All other cancellations and no-shows are non-refundable. Substitutions are allowed. Submit all cancellations and transfers in writing, by email or by fax.

The initial purpose of collecting your contact data is to inform you of details relevant to your participation at RefComm[®]. We will also use the data to notify you of other conferences, tradeshow, training and consulting services.

Registration Form

Early registration ends
20 Aug. 2018

Send this page to:

fax +1 (360) 544-0126
 email RefComm@RefiningCommunity.com
 mail Coking.com Inc
 520 Fieldston Rd.
 Bellingham, WA 98225
 USA

Or register online at
