

More Production and Less Risk

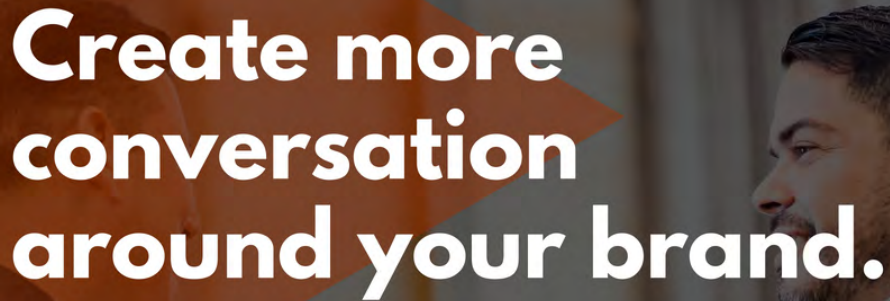

Delayed Coking, CatCracking, and Resid HydroCracking

Over the last 20 years, RefComm[®] Galveston has grown into one of the largest conferences for safety, new technology, and best practices in the refining industry. Last year RefComm had more than 500 attendees from 155 companies and 15 countries around the world.

The conference schedule and exhibit hall layout are strategically arranged to maximize your access to and foster communication with refiners of delayed coking, fluid catalytic cracking, and resid hydrocracking units. Conference attendees include engineers, maintenance personnel, managers, operators, and EPCs from leading refineries around the globe.

Rarely do you find such amazing refiner-to-vendor ratios (1:2 and 1:3, on average), and nowhere else will you have such concentrated and direct access to the key decision makers of these units. RefComm[®] is the place to be for building your business and reinforcing your brand.

BECOME A SPONSOR

Create more conversation around your brand.

RefComm[®] is the premier technical forum for project and process engineers, operators, maintenance, and other leaders to share knowledge and ideas relating to the Coking, CatCracking and Resid HydroCracking Units.

Delayed Coking Unit (DCU)

We will be discussing coker safety and reliability, drum de-heading safety, operations best practices, targeting more liquid yield, DCU material balance, steam purge valves, lockout/tagout, and more.

Fluid Catalytic Cracking (FCC)

Learn about maximizing FCC flexibility, balancing feed-stock options, equipment revamps, increasing LCO without sacrificing profits, operations and troubleshooting, and reducing turnaround costs.

Resid HydroCracking

A boots on the ground approach to operations, engineering (technical support), maintenance (preventive, routine, and turnaround), inspection, and design (engineering, procurement, and construction) where we openly discuss issues and solutions that are common, so that solutions developed after 20+ years of operating an ebullated bed unit can be applied to a fixed bed unit and a slurry bed system.

After building bridges in this new rHDC community, breakout sessions focus on specific process configurations. For instance, the morning sessions will be common to all rHDC unit styles while the afternoon sessions will be informal discussions specific to ebullated bed, fixed bed, and slurry bed unit types. By gathering together as a community first, we find common ground and solutions then allow time to get into the very unit specific nuances with peers from other units globally.

ALL LEADER SPONSORSHIPS INCLUDE:

- Logo on Sponsor Banner
- Logo projected on conference hall screens
- Logo in Conference Brochure
- Recognition announcement at conference
- Logo used in conference e-blasts
- Company description & hyperlink on website
- Company description in App.
- Logo and company description in Exhibition Index in conference booklet
- Advanced contact list of conference participants

Exhibitor Policies, Rules, and Regulations

These policies, rules, and regulations, and all text in this Sponsor Planner are to be construed as part of all sponsor contracts. Coking.com, Inc, also doing business as CatCracking.com and the Refining Community (hereafter referred to as "Host") reserves the right to interpret them as well as to make final decisions on all points which the rules and regulations do not cover.

Exhibitors will abide by all other provisions of said policies, rules and regulations and with fire regulations and all other regulations of governmental agencies and Moody Gardens Convention Center.

Payments and Cancellations

Refunds for cancellations of space rental fee (SRF) will be made only if the space can be resold, according to the following schedule with notice on or before:

- 3 months (February 5, 2019): 75% refund of SRF
- 6 Weeks (March 19, 2019): 50% refund of SRF
- 4 weeks (April 2, 2019): no refund

Cancellations must be made in writing and sent to:

Marlea Stockenberg
Fax: +1 (360) 544-1206
Email: marlea@coking.com
Mail: 520 Fieldston Road, Bellingham, WA 98225 USA

Default of Occupancy

If by Tuesday, April 30 at 3:00pm an exhibitor fails to check-in and occupy any space contracted for but not canceled in writing to the Host, the Host shall have the right to use said space to suit its own convenience, including selling the space to another exhibitor, without any rebate or allowance to the defaulting exhibitor.

If the display material has been delivered to the exhibit space but has not been assembled, the Host reserves the right to remove the material and place it in storage.

The Host assumes no responsibility for having included the name of the defaulting exhibitor or descriptions of that exhibitor's products in the Conference Booklet, the Comprehensive Contact List, news releases, or other materials.

There will be a \$500 FINE TO ANY EXHIBITS WHO MUST TAKE DOWN EARLY. Take down can begin Thursday after 6:00pm and continue through Friday until 11:00am.

Admission

The Host will have sole control over admission of all persons. All persons visiting the exhibits will be admitted according to the policies and regulations of the conference as issued or amended by the authorized representative of the Host.

All booth staff must be registered for RefComm®, including spouses.

All persons in the exhibit area must be registered and wearing the RefComm® name badge or Guest Pass at all times. No one under the age of 18 years of age will be allowed in the exhibit area.

Liabilities

The exhibitor, by entering into this contract, hereby waives any claim against and shall indemnify, save and hold harmless the Host, the Moody Gardens Convention Center, its agents and employees for any damages or injuries to property or persons occasioned by or in connection with the conference unless caused by the willful misconduct of the Host, the Moody Gardens Convention Center, its agents or employees. The exhibitor shall provide a certificate of insurance to the Host and the hotel.

Jurisdiction

The exhibitor hereby consents to the jurisdiction of the courts of the State of Washington, USA with respect to any right of action arising under this contract.

Display Configuration

Displays must be less than 10 feet tall. Freestanding displays placed on the floor are permitted. All display material must be safely supported. No nails, screws or other damaging device may be used. The Exhibition Hall is indoor on a thick concrete pad, so trucks and most equipment can be accommodated. If unsure, please call first. For demonstrations with excessive noise or fumes, inquire about an exterior location.

The Host reserves the right to restrict the use of glaring or irregular lighting effects. Signs or lighting involving the use of neon or similar gases, or flashing electrical signs are not permitted. Loud motors are not permitted. No engines with exhaust are allowed. The Host reserves the right to restrict the use of demonstration equipment that produces a noise level objectionable to delegates or neighboring exhibitors. The use of minimal audio-visual equipment will be permitted, subject to written approval of the Host.

Displays and Conduct

Displays should be directly related to the products and services provided by the exhibitor in the regular course of business.

No Suitcasing

"Suitcasing" (promoting your products and services while not being a registered exhibitor) is forbidden and anyone who is found violating said rule is subject to being expelled from the event.

Objectionable Material and Activities

The Host reserves the right to require modification of any exhibit it deems questionable for any reason. Exhibitors may not post signs, banners or advertisements outside of their booth without written permission from the Host.

Raffles and fishbowl drawings are permitted at the exhibit. Give-aways are permitted when the item is of minimal value, available to all attendees, and not related to any type of raffle, drawing or contest. Sales and orders transacted in the exhibit area are permitted.

Exhibitors must confine their activities to the space for which they have contracted, and may not distribute samples or souvenirs except from their exhibit space.

The exhibitor shall be responsible for the safety of all individuals participating in or viewing their display.

Live animals and smoking are not permitted in the exhibit area.

Exhibitors will not be permitted to behave in a manner that is, in the sole discretion of the Host, objectionable. Any questions of propriety should be cleared in writing with the Host.

Insurance

Exhibitor agrees to maintain such insurance that will fully protect the Host and the Moody Gardens Convention Center from any claims of any nature, including claims under the Workman's Compensation Act, and for damages for personal injury, including death, which may arise in connection with the presence and/or operation of participant's display. In the event the exhibitor damages the building, or any part thereof, he agrees to reimburse the owner of the building for the cost of repairing such damages to said building, or any part thereof, directly or indirectly.

Force Majeure

The Host will not be liable for failure to hold the RefComm® event as scheduled. If canceled, payments for exhibit space will be returned, less the exhibitor's pro-rata share of all costs and expenses incurred and committed by the Host.

Exhibition Arrangements

Availability

Your assigned booth(s) will be available from Tuesday, April 30, 12pm until Friday, May 3, 11am. Truck and trailer set up available beginning Monday, April 29 at 8:00am. (Specific times will be appointed)

Safety and Security

Safety is the primary issue. Please leave clear walkways for participants to move safely between displays when setting up your exhibition booth.

The exhibit hall is secured each night with limited access to conference center and Host staff. However we suggest you do not leave valuable items like laptops at your booth. The conference center and the Host are not responsible for any lost, stolen or damaged materials.

Electrical/Internet

Electrical for lights and basic laptop, 110V/20A (one plug) is included in the exhibitor fee. Additional power requirements are at the exhibitors cost. Free Wi-Fi Internet is available.

Hotel Contact & Catering

Breakfast, breaks, lunch, and receptions are paid for by the Host. All other food and beverage requests for your exhibit area and hospitality rooms must be arranged through the conference center catering manager:

Patty Kennedy
409-683-4416 desk
907-231-4394 cell
pkennedy@moodygardens.org
