Permission to Distribute Presentation

At RefComm® Global, a virtual event to be held the week of 2-6 November 2020, the conference program will be available to registered participants either via on-demand pre-recorded video files or via live scheduled webcasts. The presenter's name, bio, and image along with the presentation title, and abstract will identify their topic on the Internet, brochures, and conference proceedings.

Presentations are promoted before and are available on demand during RefComm® Global on websites associated with the RefComm® Inc (and parent company, CRU Group).

I, _____ of _____
Presenter Name Presenter Company

grant RefComm Inc. permission:

Grant Do not
permission grant
permission

To identify me on RefComm's website, social media and other marketing material.

To make my presentations available at RefComm Inc. websites in video format.

To have video recordings of me and my presentation used by RefComm Inc. during and after RefComm® Global 2020

To have my pre recorded presentation available to conference participants during the conference week.

I realize that REFCOMM has done due diligence to provide a secure virtual environment for RefComm Global and has not authorized, nor is responsible for, any third party recording of my material.

RefComm Inc. may use, reproduce, and/or publish photographs and/or video that may pertain to me—including my image, likeness, and/or voice without compensation. I understand that this material may be used in various publications, educational resources, promotions, or for other related endeavors. This material may also appear on RefComm Inc. websites, social media, and Internet video channels. RefComm Inc. may publish materials, use my name, photographs, and/or make reference to me in any manner that RefComm Inc. deems appropriate in order to promote and publicize service opportunities.
